The Red Carpet Spectacular Sale

July 10th at RJ Farms, Corbyville, Ontario

A large crowd of Canadians and American with a passion for top-end Jersey genetics made their way to Corbyville, Ontario on Saturday, July 10th for the Red Carpet Spectacular Sale, hosted by the Jarrell family at RJ Farms. The sale featured a number of high-quality offerings from the heart of the RJF Jersey herd, as well as a group of exciting consignments from Jersey herds in Canada and the USA.

The event started on Friday evening with a wine and cheese reception at the farm. This was a chance to inspect the fine group of animals gathered for the sale while consuming some delicious Jersey cheese, provided by Laiterie Charlevoix and Les Bergeries du Fjord in Quebec. Also happening that evening was an auction of Jersey memorabilia and collectibles from Kim Myers and Steve Christman of Indiana. A diverse collection, including prints, milk bottles, sale catalogues and posters, was sold without reserve and pieces sold to bidders as far away as British Columbia and Jersey Island.

The prices for top Jersey genetics matched the hot temperatures that weekend. The top selling animal on the day was **RJF Jamaica Rockstar VG-89**, from the heart of the RJ Farms herd and show string. This Junior Three Year Old sold as a buyer's choice with RJF latola Bliss VG-88. "Rockstar" had three first place finishes at shows in 2009 and placed sixth at the Royal Winter Fair in November. Out of an EX-90 Lester Sambo dam, she is the seventh generation Very Good or Excellent cow in her maternal line. "Rockstar" sold for an impressive \$21,000 to the historic Billings Farm of Woodstock, Vermont.

The second highest selling animal on the day was **Select Jade Emy VG-89**, a Senior Three Year Old consigned by the Desrosiers and Sicard family of Ferme L'Ormiere in St-Justin, Quebec. "Emy" was Reserve All Canadian as a Senior Calf in 2007 and was Nominated All Canadian as a Milking Yearling in 2008. Her EX-92 dam (Potwell Whistler Emily) was Reserve All Canadian on three occasions and comes from the prestigious and prolific "M" cow family originating at Pleasant Nook. "Emy" sold for \$17,500 to Jordan and Whitney Ebert of Wisconsin.

The highest selling open heifer and third high seller of the sale was **Huronia Vincent Mindy**, consigned by Fred and Ruth Armstrong of Huronia Jerseys or Auburn, Ontario. Sired by the Semex young sire Bridon Vincent (latola x Huronia Centurion Virginia), this Intermediate Calf is out of a VG-87 "Remake" dam who completes six generations of EX and VG cows in the Huronia "M" family. This fancy, well-grown heifer sold to the sale hosts, Robert and April Jarrell and family, for \$11,500.

The top selling embryo lot was a consignment of **ten embryos by Maack Dairy Region from Gabys Blair Aruba VG-87**. These embryos carried two sire contracts from resultant calves, as the newly imported "Aruba" has a MACE GLPI of +1431. Consigned by Neil and Melanie Hunter of Hometown Jerseys of Bath, Ontario, these embryos sold for \$2200 per embryo to the Claessens family of Claessic Fields Jerseys in Ingersoll, Ontario.

Other lots selling in excess of \$8000 included:

- \$11,000 for **WF latola Shalena**, consigned by Waverly Farm of Clear Brook, Virginia. This fancy Junior Calf is a daughter of Hermitage Counciller Sheba EX-96%, the Reserve Grand Champion at the World Dairy Expo in 2008. Purchased by Ferme Lact-Phylum of St-Nicolas, Quebec.
- \$10,600 for a **first choice female out of Llolyn Jude Griffen** EX-95%, consigned by Budjon Farms of Wisconsin and Peter Vail of New York. This choice of females to be born in 2011 (sired by latola) was purchased by Louie Cozzitorto of Turlock, California.
- \$10,500 for **RJF Unique Centurion Moment**, a Junior Yearling consigned by the partnership of RJ Farms and Unique Stock Farms of Rochester, Alberta. Purchased outright by Unique Stock Farms.
- \$10,000 for **Storas Sultan Sultry**, a Summer Yearling consigned by Budjon Farms and Joel Kietzman. A daughter of Stora of Oblong Valley EX-94%, she was purchased by Peter Vail of Valatie, New York.
- \$9200 for **Bridon latola Evermore**, a Junior Three Year Old consigned by Bridon Farms Inc. of Paris, Ontario. This daughter of Bridon Patrick Eveready EX-90 was purchased by Budjon Farms and Peter Vail.
- \$8500 for **Freeman Blackstone Sand**, a Winter Yearling consigned by David Freeman of Greenville, Illinois. This daughter of Nobledale Victorias Sydney EX-90% with two full brothers in AI was purchased by the partnership of Braeview Jerseys at Athlone Farms of Tavistock, Ontario and Willdina Farms of Bowmanville, Ontario.

In total, 59 animal lots (including two unborn choices) averaged \$4916. This further broke down as:

\$4310 for 20 calves
\$4584 for 19 yearlings (uncalved)
\$5689 for 18 cows (fresh and dry)
\$7200 for 2 unborn choices

39 embryos sold for an average price of \$869 per embryo. Three semen lots also sold. Two doses of Hollylane Renaissance sold for \$1600 per dose to John Nixon of Rosalea Jerseys, Rockwood, Ontario. Five doses of Giprat Belles Connection sold to Tim Staring of New York while a lot containing 2 doses each of Piedmont Grove Amedeo, Piedmont Prize Socrates and Indiana Impressive sold for a total package price of \$1500 to Greg Morston of Oro-Medonte, Ontario.

Additionally, a syndicate of donors purchased Montdale JJ Sweet Peace, a donation heifer consigned by Mike Black, Kyle Rivington, Corey Dickson and S. Ouellette with full proceeds going to the Cheryl Dickson Assisted Living Fund. A total of \$5500 was raised through the sale of this animal.

The auctioneer for the sale was Doug Jarrell, with Norman Nabholz reading pedigrees. Lots sold to Ontario, Quebec, Manitoba, Saskatchewan and Alberta in Canada, as well as to New York, Vermont, Wisconsin, California, New Jersey, Michigan, Massachusetts, South Carolina and Ohio in the United States. A total of 18 lots sold in whole or in part to American buyers.
