The *Ontario Dairy Youth Trust Fund* is a registered charity with the goal of helping to develop youth in the dairy industry to ensure Ontario's strong future in agriculture. The charity is funded solely by donations, from industry, associations and individuals. Today's youth are the most important resource we have in the dairy industry, and we need to ensure they develop the skills necessary to maintain and strengthen the industry into the future. Trustees of ODYTF are a group of nine individuals who are committed to ensuring sound financial management and to providing opportunities for dairy youth.

The Ontario Dairy Youth Trust Fund is proud to support the OSD Future Fitters Competition, and the OSD Showmanship Competition

ALL-CANADIAN HOLSTEINS PAINTING

By: Ross Butler

With the culmination of the show season in Canada comes the selection of the best of the breed in each class for the year. It is a very coveted honour to win this award and certainly the winners are considered among the very best of the breed.

Competition is so great that each year a new standard is set nearer the True-Type, to raise this goal a notch or two toward final perfection. This is especially so among the aged cow class. This is the age on which the real True-Type is established, the mature cow form that has attained its greatest potential in full maturity. I am fascinated by the degree of perfection this class brings forth in its winners. It always appears that the winner this year is better than last, next year this will be raised again and soon there will be a living animal to surpass the ideal conceived by the Association, by the judges and the breeders.

Apparently there has never been an artists conception made to show the various age groups' degree of development other than the mature cow and bull models. Ideals for the calves, the yearlings, the two-year-olds, etc, have not been illustrated to set a pattern of just what each age group should look like in this perspective. It then occurred to me that a composite painting of the All-Canadians, a project done accurately showing each winner in its best form, in realism and detail would perhaps serve as a guide and at the same time preserve for posterity the milestone reached in 1975. Therefore, this idea came to my mind at about 4.AM. on Friday November 21, 1975. One week later everything was ready to begin the painting. It was to be a large picture, for by eight feet in dimension. To this, the last finishing touches were applied before it went to the engravers on October 19, 1976.

Briefly, the animals in the picture start with the heifer calf, Browndale Fury Lib, a refined and beautiful thing, Junior Champion at the Royal, most unusual and owned by Robert Brown of Paris. Behind her is the bull calf, Glenafton Bellringer, owned by a group. Far left is the Junior Yearling, A Olmar Brett Barbara, owned jointly by Oak Ridges. Ahead of her stands A Price-View Pat Lu Ann, owned by Valentine Farms. Directly below her is the two-year-old, A Lady Maple Fancy, also from Oak Ridges. The three-year-old is Mardonholm Empress Anna, Oak Ridges too and then the four-year Raydon Marquis Wanda a Bob Flett cow as is the one in front of her the aged cow, Theynor Hagen Cindy. Completing this group is the senior yearling bull, Carlencrest Ned Dominaton from Carl Petherick in Eastern Ontario.

Now the reproduction of this painting have come off the press. A great effort has been made every step along the way to get the most faithful results in colour printing, quality of paper and size to hang in home or office or barn anywhere. The print is 20 by 40 inches in size and only a very limited number have been printed. We hope each one will become a collector's treasure and grow in value with the years.

- Ross Butler.

Funds raised from this painting will be donated to the Ontario Dairy Youth Trust Fund

PROUDLY SUPPORTING DAIRY FARMERS

Your need to get a lot of things done is never-ending. That's why we specifically build Case IH equipment to be tough, powerful and resourceful enough to cover a wide range of duties across your entire dairy operation. Our do-it-all Puma®, reliably flexible Farmall® and simply productive Maxxum® series tractors are ready to go to work for you. So are our balers, windrowers, mower conditioners and more.

Learn about the equipment that works as hard as you do at your local Case IH dealer or online at caseih.com.
